

A HOME CRAFTED JUST FOR YOU

Thrissur, one of the shining gem of Central Kerala, is also known as the cultural capital for its rich art, culture and festivals. The city, which is the connecting nerve between northern and southern part of Kerala, has emerged as one of the investment friendly cities, and its proximity towards neighbouring city Kochi, which is the commercial capital, makes it more ideal.

The demand for property in Thrissur has increased considerably and people looking to settle in the city can start rejoicing, as Kerala's most trusted builder Desai Homes is making their grand entry to the city with the launch of 'DD Sapphire Gardens', a prestigious 2&3 BHK apartment project spread over 1 acre exquisite property. The elevation stands tall in a majestic manner with 126 apartments, across Basement, Ground floor and 21 floors.
